Fish Gelatin Certification

We certify that Fish Gelatins and Hydrolyzed Fish Collagen manufactured by Kenney & Ross, Limited do not contain Class 1 or Class 2 residual solvents and that the gelatins and collagens will comply with the 0.5% limit for Class 3 residual solvents as specified in Chapter 5.4 of the European Pharmacopeia and in the General Chapter 467 of the US Pharmacopeia.

The Fish Gelatins and Hydrolyzed Fish Collagen also comply with the CPMP guideline for residual solvents (CPMP/IGH/283/95 amended by CPMP/ICH/194/00).
